BALENO

The Baleno is your perfect companion in a world where you stand apart with your sharp personality. It lets you make a strong impression from inside out when you're moving on the roads or even when just parked. The car drives forward new trends with its high-end style in a liquid-flow body reflecting your urban taste, while a wide and relaxing cabin allows you to arrive in comfort. What's more, a host of advanced features lets you get the best out of every situation. With the new Baleno, raise your edge on the go.

RAISE YOUR EDGE

Makes a Striking Impression

The Baleno has an expressive design that appeals to the urban-minded young. An elaborately crafted front grille with chrome accents lets you take every road head-on with confidence. The headlamps and rear lamps have a 3-point signature style that adds to the distinct persona of the car. Also, making it stand out as you take it for a spin is its coupe style body that slopes towards the rear.

Striking From Within

Inside the Baleno a premium experience awaits you. The styling complements your lifestyle and makes a sharp impression. Attention to every detail, with good quality materials and fine finishes adds a touch of class.

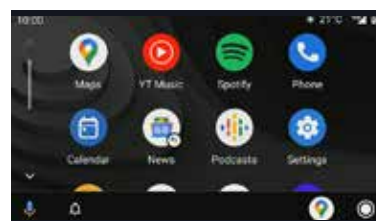

New generation display audio

The Baleno's new generation display audio comes with a large 9-inch HD touchscreen*. It's highly functional with features such as smartphone linkage, voice recognition and Bluetooth®** music playback. It also shows various vehicle status, keeping you always updated on your drive.

Smartphone Linkage

Apple CarPlay is available in the countries listed at the following link:
<http://www.apple.com/ios/feature-availability/#applecarplay-applecarplay>
 For more details including iPhone models compatible with Apple CarPlay see:
<http://www.apple.com/ios/carplay/>
 Apple, Apple CarPlay and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries.

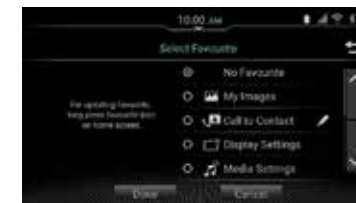

Android Auto is available in the countries listed at the following link:
<https://www.android.com/auto/>
 Requires the Android Auto app on Google Play and an Android compatible smartphone running AndroidTM 6.0 or higher:

 Android and Android Auto are trademarks of Google LLC.

* For GLX grade only. 7-inch display audio is available as an option for GL grade.
 **Bluetooth® is a registered trademark of Bluetooth SIG, Inc.

Quick access HUB

Favourite

360 view camera (GLX)

With four cameras, one each at the front, rear and sides that are linked to the display audio, the Baleno offers a 360 view of the surroundings to assist starting off and parking.

3D opening view

It allows the driver to check the surroundings before starting off.

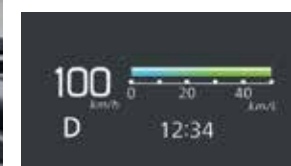

Top view

It supports safer parking by showing a bird's eye view of the car from above.

Head-up display (GLX)

The Baleno is equipped with the combiner type head-up display. It projects an array of information such as speed, intersection navigation and instant fuel economy enabling you to stay focused on the road by reducing eye movements.

Next Level of Comfort

You're assured of a pleasant experience when on the go in the Baleno. Effective use of space ensures ample room for all. The seats have also been designed for your maximum comfort. Multiple storage spaces for everyday items add convenience to every drive.

Space For More

Smart package provides enough luggage space for all your cargoes. Within the coupe style body, the Baleno provides a large luggage capacity of 318 litres (without parcel shelf)*.

*Measured using the German Association of the Automotive Industry (VDA) method.

Auto AC & heater control panel

Front USB & accessory sockets

Centre console cup holder & centre lower tray

Front door pocket

Sliding front armrest

Rear AC vents & USB sockets & lower storage

Glove box

Rear door pocket

Sharp Performer

The Baleno is equipped to give you an excellent drive quality. It has a highly insulated cabin that provides you a quiet drive. A superior dynamic performance and high fuel-efficiency are a part of every drive.

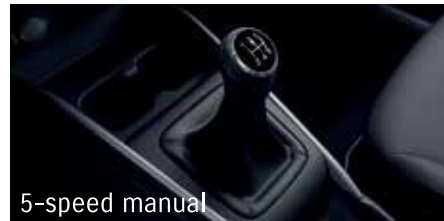

1.5-litre Engine

Spirited response meets high fuel efficiency in a compact petrol engine producing impressive torque. Performance is smooth with minimal noise and vibration for a pleasant drive.

NVH

With various measures for suppressing noise, vibration and harshness, the Baleno offers a quiet and comfortable drive.

Transmission

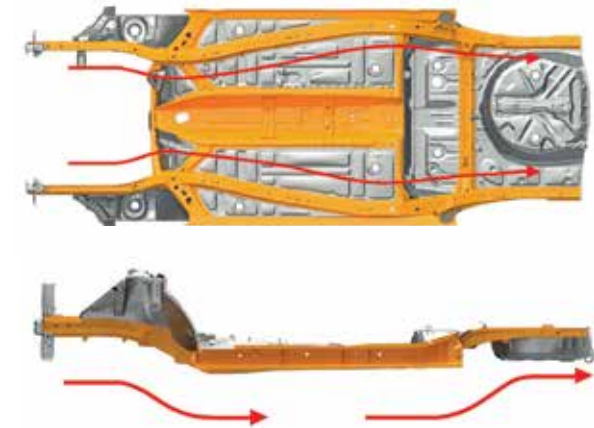

Both 4-speed automatic transmission and 5-speed manual transmission are optimised for the best balance of performance and fuel efficiency. A straight type shift pattern is adopted for the automatic transmission for simple and easy operation while the manual transmission features light, smooth and precise gear shifting with the convergent locating system.

Aerodynamics

Superior aerodynamic performance in the Baleno achieved by making full use of CAE and wind tunnel tests and optimising the shape of each part results in high fuel efficiency and a quiet ride.

HEARTECT

HEARTECT platform

The HEARTECT platform enhances your driving experience. Light and highly rigid, it lowers fuel consumption and vastly improves the fundamental vehicle performance in terms of running, turning and stopping. Its frame is characterised by smooth and continuous curves, which efficiently disperses impact energy in case of a collision.

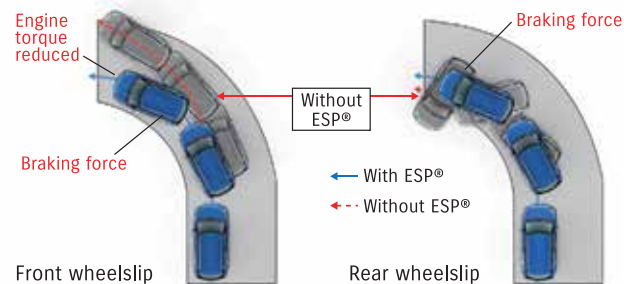

Suspension

The Baleno takes on every road with equal ease. The highly tuned suspensions ensure solid cornering and responsive handling, while assuring a relaxing, smooth drive.

Safety That Assures

The Baleno gives safety on the roads upmost importance. That's why it comes with a host of safety features that help protect both occupants and pedestrians.

ESP*

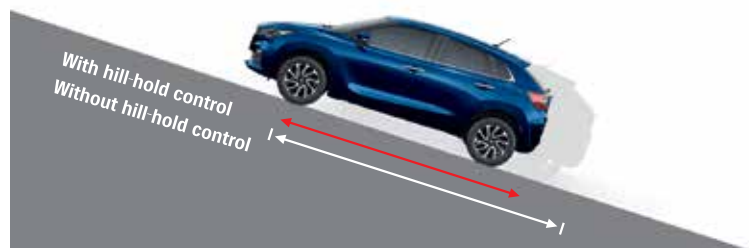

If Electronic Stability Programme (ESP®) detects wheel slippage when the driver turns the steering wheel sharply and/or the road is slippery, for example, it automatically adjusts the engine torque and brakes to suppress the wheel slippage and help the driver stay in directional control.

*ESP® is a registered trademark of Daimler AG.

ABS

In an emergency braking situation, the anti-lock braking system (ABS) keeps tyres from locking up and helps you maintain steering ability.

Hill-hold control

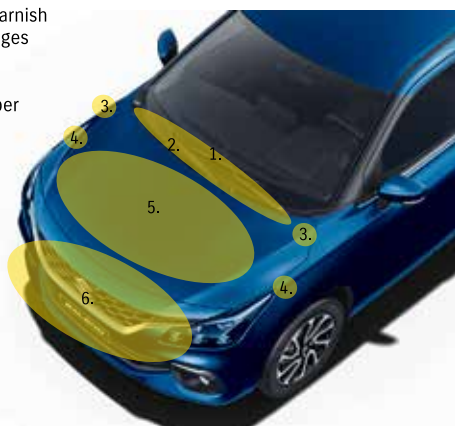

Hill-hold control is designed to prevent the vehicle from rolling backwards during standing starts on slopes by engaging the brakes for up to two seconds after the driver removes pressure from the brake pedal to depress the accelerator.

Rear parking sensors

Ultrasonic sensors in the bumpers detect obstacles and issues audio-visual warning to the driver.

1. Impact absorbing wipers
2. Impact absorbing cowl top garnish
3. Impact absorbing bonnet hinges
4. Impact absorbing fenders
5. Impact absorbing bonnet
6. Impact absorbing front bumper

Pedestrian injury mitigating body

The structure of the Baleno's bonnet, front windscreen wiper area, front bumper and other parts absorb impacts, with the aim of mitigating head and leg injuries in the event of a collision with a pedestrian.

Airbags

The six airbags – dual front airbags, side airbags* and curtain airbags help protect the driver and passenger in the event of a collision.

*Side airbags are only available in GLX.

Stands Out Every Moment

The Baleno complements your sharp personality perfectly. Take on every moment with the car as your companion and raise your edge.
